Your team may dash from the lake to LuLu, climb hidden stairways, circle the observatory, locate clues, crack codes, and fix your sights on claiming the hidden treasure before the competition. Get set. Go!

S'mores

Location: Quad at 9pm

For those of you who've never had one, s'mores are an American tradition. Roast a marshmallow over an open fire, and once it's toasted, sandwich it between two graham crackers and a piece of chocolate. It's gooey, tasty, and just what to do on a summer night with friends.
