Medical Specialties Focus Program

SARAH LAWRENCE COLLEGE, NEW YORK

- Experience things like Medical Simulation Labs, Anatomy + Dissection + visits to top labs + hospitals
- Daily activities, events + weekend trips

Want to dig deeper into all things medical? Step into the life of a medical doctor or nurse and rotate through different specialties like cardiology, trauma care, internal medicine, and pathology. Explore different routes you can take within modern medicine while meeting fellow students from around the world with the same curiosities.

Session 1

Overnight: June 30–July 13
Ultimate Day: July 1–July 12

Session 2

Overnight only: July 21–August 3
Ultimate Day: July 22–August 2

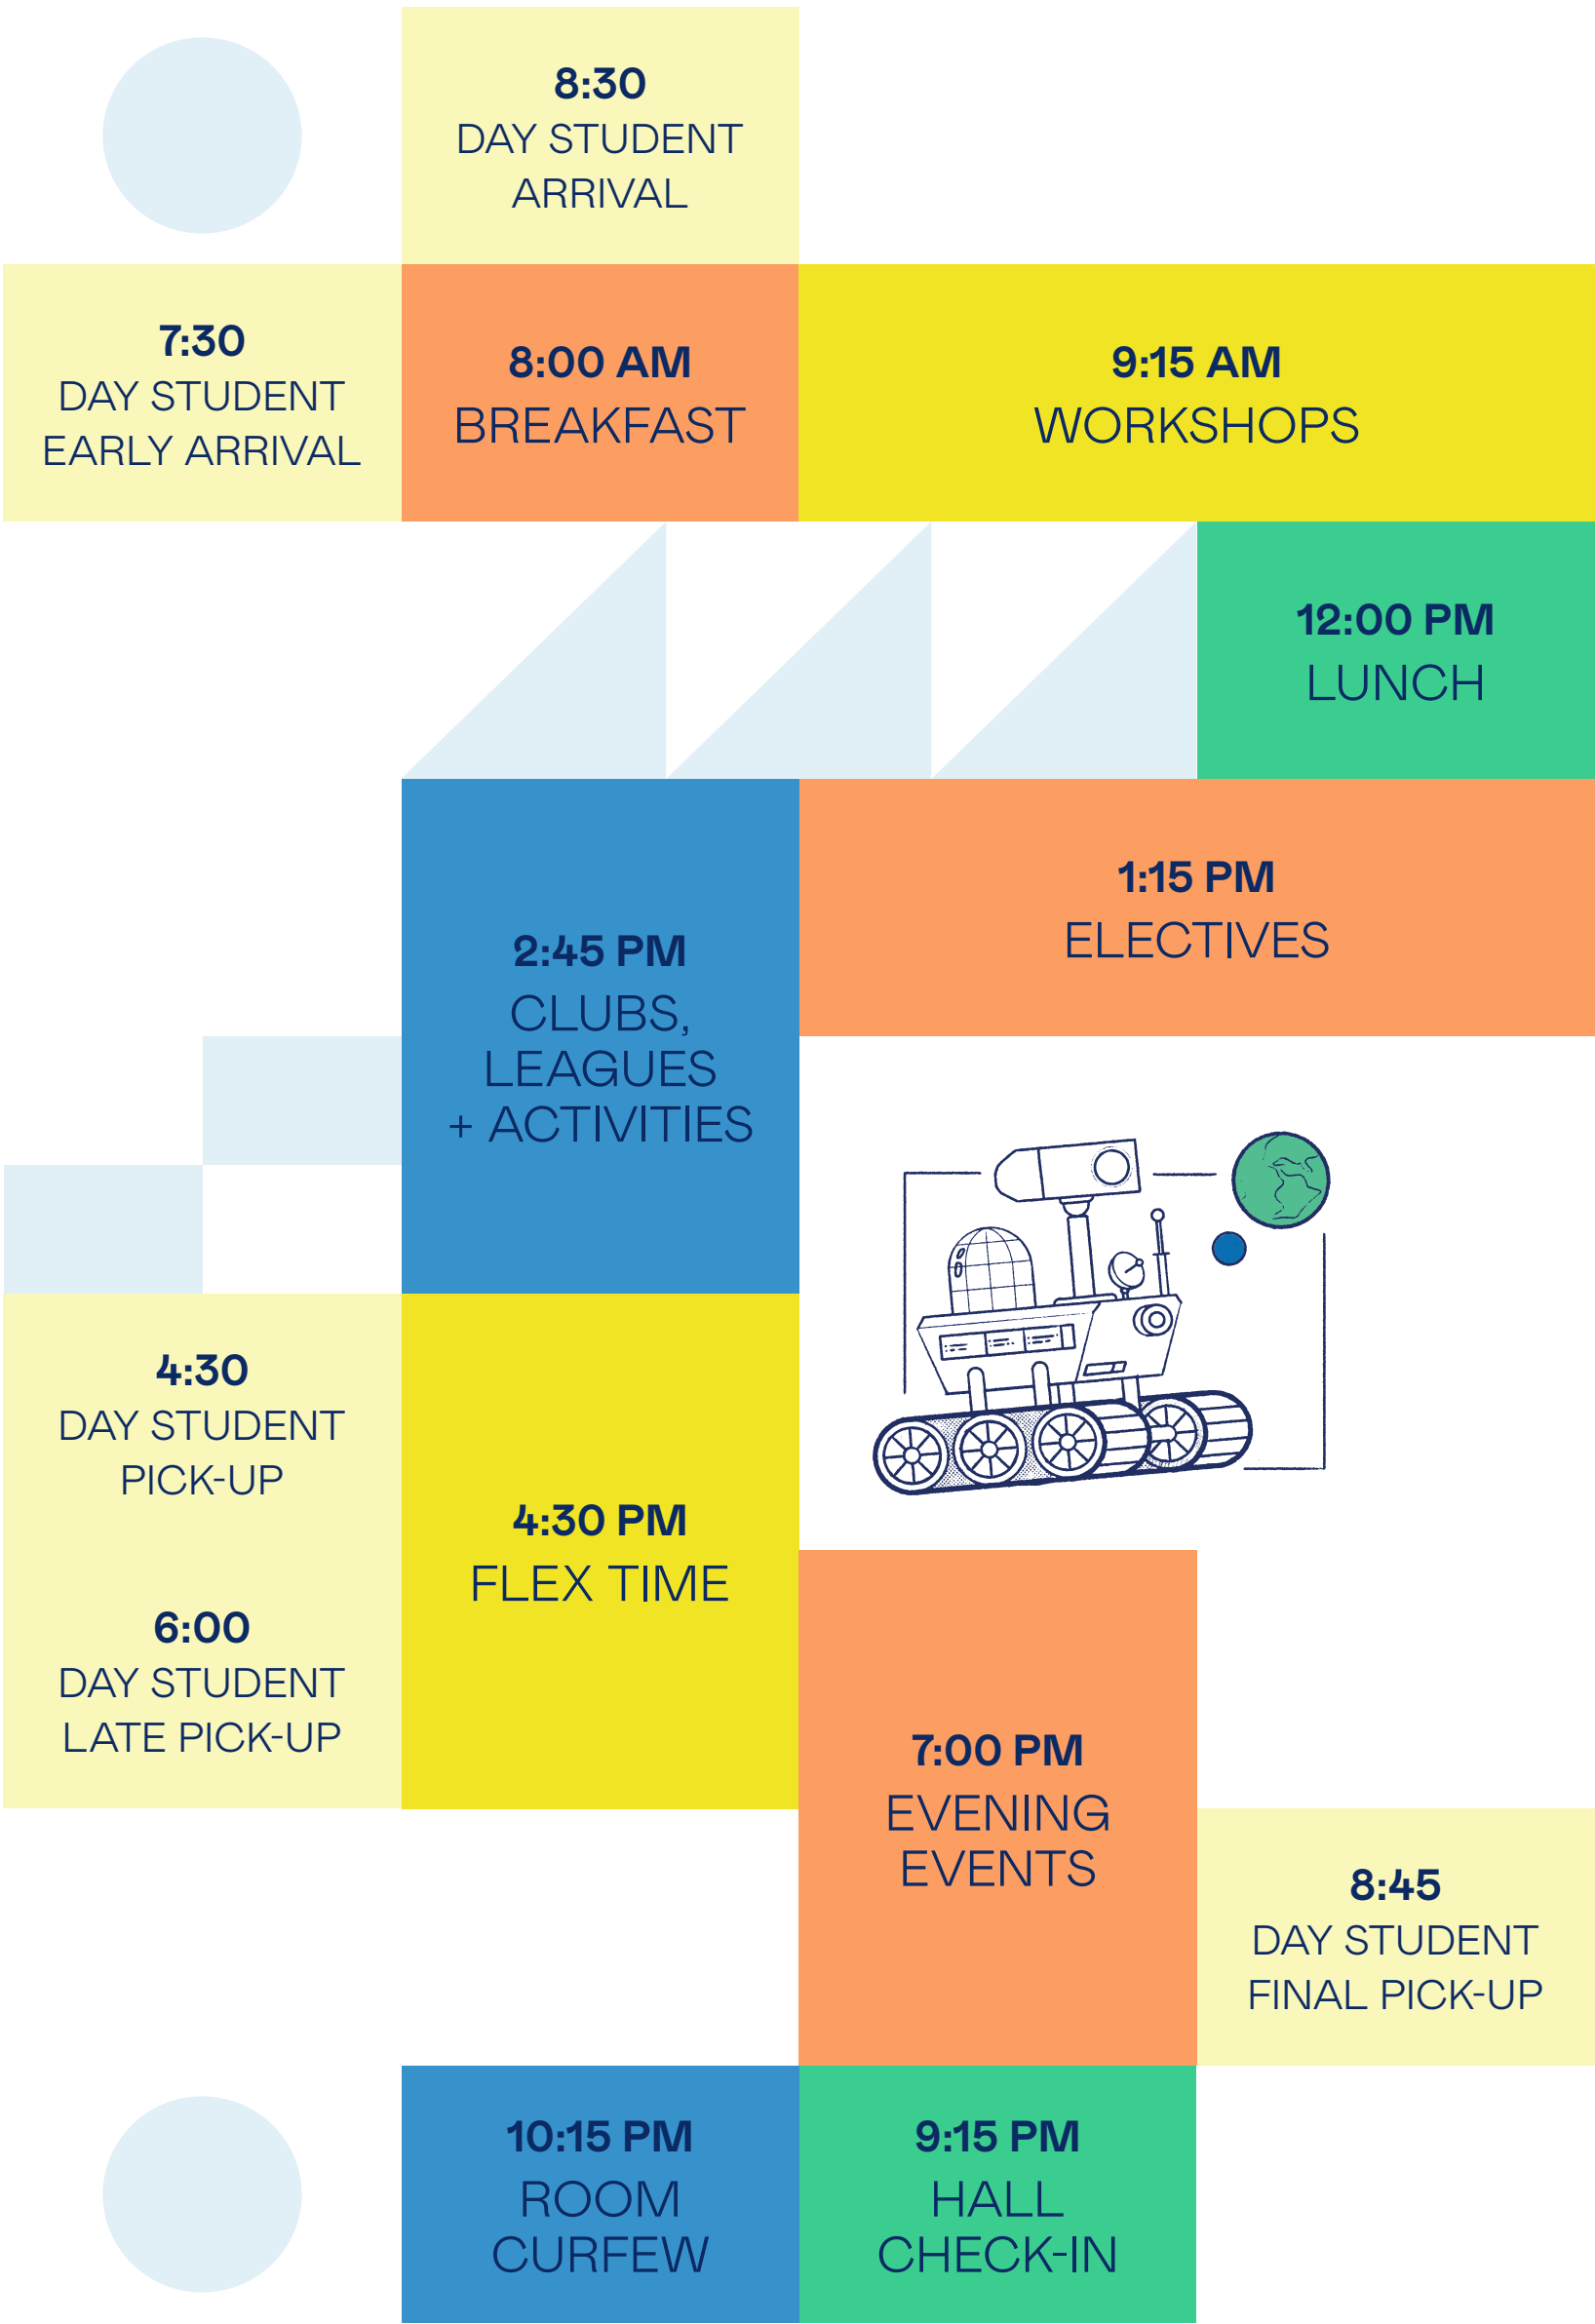

Overnight Tuition: **\$5,950**
Ultimate Day Tuition: **\$2,750**

Come for the Ultimate Day, or stay for the Overnight experience

Either way, you'll pick new activities and events each day for a summer to remember.

10 choices each weekend

Options have included amusement parks, sailing, an MLB game, indoor skydiving, and more.

Living the EXPLO life

Choose the Ultimate Day for activities like soccer, strategy games, or a musical jam session. Or, opt to stay Overnight for 24/7 adventure, from escape rooms to whitewater rafting. EXPLO's Overnight experience offers the best staff-student ratio out of any campus-based summer program (1:5). We have almost 50 years of experience planning overnight programs and offer a 24/7 health center and live-in Student Life staff. You'll have support as you take on new responsibilities, and no matter what, you'll try new activities every day for a summer you won't forget.
